Request for Proposals (RFP)

#08-08 (P) Title V Incentive Grants

Delinquency Prevention Programs

Applications must be postmarked on, or received by March 24, 2008

Project Dates: July 1, 2008 to June 30, 2009

I. Introduction

The Montana Board of Crime Control (MBCC) is soliciting proposals to implement the Title V Incentive Grants for Local Delinquency Prevention Program Funds.

Approximately \$70,000.00 is available. A 33.3% in-kind and/or hard cash match is required. There is a 3-year term limit on these funds with continuation applications due annually. Award of continuation funding is dependent upon availability of federal funds and subgrant performance. (*Note: Due to federal funding schedules, funds may not be available immediately following the award date, programs should prepare for this contingency.*)

II. Purpose of Grant

Title V focuses on reducing risks and enhancing protective factors to prevent youth at risk of becoming delinquent from entering the juvenile justice system and to intervene with first-time and non-serious offenders to keep them out of the juvenile justice system. The goal of this program is to improve juvenile justice systems by increasing the availability and types of prevention programs. The objective of the program is to support both state and local prevention efforts. Subgrantees will need to submit annual performance measurement-based progress reports.

The Youth Justice Council (YJC) is responsible for planning and consultation on juvenile justice issues for the state of Montana. The YJC has assessed the priorities in the state for resource allocation and determined that funding activities within the following Program Areas will improve the state's capacity to serve youth along the continuum of intervention, prevention, and diversion:

- 04-Children of Incarcerated Parents
- 09-Delinquency Prevention

➤ 11-Diversion Programs

If you submit a grant in a Program Area other than those listed above, your grant will still be considered, but priority will be given to the above Program Areas.

Choose a Program Area from the above link that best describes your program. Click on the Program area you choose. Read the Performance Measurements and choose the following when writing objectives for your grant:

- Choose two Output Objectives from the yellow oval on the bottom of the page and link them to a minimum of two output measures from the yellow rectangles above.
- Choose one Short-Term Outcome Objective from the pink oval and link it to a minimum of two Short-Term Outcome Measures from the pink rectangles above.
- Choose one Long-Term Outcome Objective from the blue oval and link it to one Long-Term Outcome measures from the blue rectangles above.

III. Eligibility

- **Local governments** must agree to comply with Federal and State data reporting requirements.
- **Law enforcement agencies** must be submitting crime data electronically to the MBCC.
- **Non-profit organizations** must submit documentation they have been denied funding by a unit of local or tribal government and document their IRS 501-3C Non-profit status.
- **Tribes** must provide a valid Tribal Resolution, signed by an authorized official representing the tribal entity. For language specified in the tribal resolution, please see our web site at <http://mbcc.mt.gov/Grants/ApplicationKit/AppKit.asp>.

- The first late submittal for continuation project applications will require appearance before the Application Review Committee or Youth Justice Council to request consideration. Second late submittal requires the application be returned and not considered during current cycle.

V. Match

All grants will require a match of 33.3% of the federal funds requested in the applicant budget. For example, if your total budget request is \$30,000, that would require \$20,001 in federal funds and \$9990 in hard cash and/or in-kind match from your community. This equals a total project budget of \$30,000.

VI. Funding Period

- Funding period is July 1, 2008 - June 30, 2009.
- Subgrantees are eligible to receive funding for up to 36 months, but must re-apply every year.

Note: Food and beverage items may be allowable if costs meet these guidelines: 1) the food and beverage are incidental to a work-related event; 2) the costs are documented and reasonable; and 3) food and beverages are not directly related to amusement and/or social events. MBCC will approve such items only if the applicant justifies the expense as a clear benefit to the grant project. The federal Office of Justice Programs discourages approval of expenses for "working lunches;" therefore, we would recommend that you **not** include such items in a request. All food and beverage items must receive prior approval from MBCC.

VIII. Special Requirements

All successful applicants for grant award funds from MBCC must agree to the following:

- Submit Outcome Measures on the DCTAT data entry system as required by OJJDP. For a list of Outcome Measures specified within the Title V, see: http://www.dsgonline.com/Program Logic Model/titlev_pm.htm
- Submit quarterly reports in the prescribed format according to the MBCC time frames.
- Submit an annual report, which is the final quarter report. The report will summarize the year's activities, challenges, accomplishments and an evaluation of the project.
- Provide a realistic sustainability plan that includes details of how the program will continue once Title V funds are no longer available.

IX. Application Requirements

Applications must include:

- An assessment of Disproportionate Minority Contact (DMC) in your area based upon the current Relative Rate Index and a plan for addressing DMC if applicable. (Contact Jimmy Steyee, Statistical Analysis Center Director at MBCC @ 444-4298 for further information.)

X. Selection Process

- The staff of the MBCC will conduct an initial screening of the proposal to check for completeness of the application. The fiscal staff and program manager will review the applications and summarize their findings to the Application Review Committee of the Youth Justice Council.
- The Application Review Committee will review all proposals and submit recommendations for funding to the YJC.

XI. Uniform Crime Reporting

In order to receive federal pass-through dollars, it is Board/Council policy that law enforcement agencies report crime data to MBCC. **If the grant is for a law enforcement**

agency, the law enforcement agency must be reporting Uniform Crime Data to the Board of Crime Control. The crime data must be compliant with the Montana Incident Based Reporting (MTIBR) standards and policy. If an agency is not yet compliant and has plans to become compliant, they may submit a Memorandum of Understanding (MOU) and the board will decide if the MOU would justify a waiver until the agency becomes compliant. For more information please contact Jimmy Steyee at (406) 444-4298.

Agencies needing crime data to complete their applications can locate that information at <http://mbcc.mt.gov/>

XII. Awards & Appeals

Following the review of the applications by the Application Review Committee, a notice will be sent to the applicant agencies with the recommendation that will be presented to the full Youth Justice Council. In the case where the Application Review Committee recommends a grant application for denial, the applicant may, if there are substantive reasons, appeal the recommendation to the full Council. Notice of appeal must be made in writing to the Executive Director of the Board of Crime Control at least 10 days prior to the Council meeting and a representative must appear before the Council at the next meeting.

Council actions are passed on to the successful applicants within 7 days following the Council meeting.
